VIJAYANAGAR COLLEGE HOSAPETE

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

The two best practices appreciated by the general public of surrounding area are also carried out in this year

Best Practice I

Title of the Practice

Creating Awareness about **environmental pollution and beat plastic pollution**

The context

Our place, Hosapete, is located very close to the world heritage place Hampi, many tourist including foreign visitors visit Hampi all the days in a year. Hospet is also nearer to Tungabhadra Dam. In the rainy session the dam gates were open to allow the excess water to flow to the river. To view this, tourist flood to Hosapete. To carry the things people use plastic bags and plastic water bottles. Even after the ban by the Government, people still use due to low cast and easy to carry without worrying about environment pollution. This tendency was noticed by our NSS officers, who conduct annual camps in surrounding areas. It is in this context that the Ex-NSS officers and enthusiastic faculty members and students decided to educate the people and create awareness about the environmental pollution and to say no to plastics.

Objectives of the practice

1.To inculcate the environmental issues in the school children, from primary, higher secondary levels, College and in public rallies were organized.
2. Importance of tree plantation .
3   the importance of saying no to plastic
4   the facilities available from Government and NGOs
5   the adverse effects due to environmental pollution.

The practice

A team of Five faculty members includes Sri. B.P Chandrashekarappa , Dr. Govinda naik, Sri Basavaraj Meti, Sri. H. M. Niranjana and Sri. K. Shivakumar NSS student volunteers team constituted to met the task

- Issue to be addressed in the case of environmental pollution.
- To create General awareness to say no to plastic.
- Joining hands with NGO organization and Govt. officials to met the task

The formal communication from our principal, stating the objectives of our rallies and the lectures organized in and outside the campus seeking on convenient days, was communicated to the NGO volunteers and Governmental officials. Functions in this regard were organized in Schools with the consent of Head Masters of the respective schools. On our requests Taluk Administration organized world environmental celebration outside campus decorating the trees with slogans written on name boards and tied to the trees. We involved our students in the forest department and plantation departmental free distribution of plants to the general public. The awareness was also created regarding use of environmental friendly goods and say no to the plastics. The student volunteers performed the skits emphasizing importance and eliciting the benefits of the environmental protection.

Obstacles faced if any and strategies adopted to overcome them

Obstacles faced include protest by small vendors on banning plastic bags. This is overcome by motivating shop owners schools authorities and motivating public, parents and students. The importance of recycling plastic and papers Ways adopted to overcome obstacles include sustained persuasion to overcome them, so that they can appreciate the need for the effort.

Impact of the practice

This Programme has created not only awareness among public, the students and parents but also received appreciation from all sections of the society. This programme is becoming a model in the region for implementing the government schemes for the protection of environment. Many of the NGO come to the college to organize events seeking the help of students and staff to carry out task.

Title of the Practice

Adaptation of the village Hosur to help its overall development

The context

Hosur village is 5 km away from our College. Annually we conduct NSS camps in this village. We decided to help the village in its overall development. The drivers and guides of this village working in the world heritage site Hampi empowered with at least the minimum knowledge of communication skills. The school students of this village were allowed to visit our labs to expose them to the modern equipments used to study things they were learning in their texts. Programmes were organized to create environmental protection awareness, planting of trees and say no to plastics. Our staff visited the schools to teach basic things with demonstration. The school teachers orientation programmes were organized.

Objectives of the practice

- To involve the College Faculty in undertaking socially relevant practices.
- Teaching effective and basic communication skills in the students and school teachers
- Creating environmental awareness and say no to plastic
- Creating interest in students to take higher studies
- Helping the villagers to get benefits of governmental schemes.

The practice

The faculty of English, Dr. G. Umamaheshwar designed the course and conducted the classes on communication skills to drivers and guides of this village. Dr. Rumale, Dept. of Kannada and Dr. H. M. Chandrashekhar Shashtry, Dept. of History, explained the historical perspective to the guides. Dr.M.Prabhugouda, Dept.of Physics, Dr.b.Govindaraj, Dept.of Chemistry, Dr.Premalatha created motivation in basic science and higher education by conducting experiments in schools. NSS officers Dr.Govinda Naik and his student team created village cleaning camps and pursuded village people to keep the village clean

Evidence of success

Many students of this village admitted to XI class in our and nearby colleges. The evidence of success was conspicuous in the manner the visitor complimented the auto drivers and taxi drivers. The village is now clean everyone is aware of the importance of keeping the surroundings clean. The village implemented many governmental schemes effectively.

Obstacles faced if any and strategies adapted to overcome them

Initially people shown irregularity in keeping surrounding clean and due to poverty people wants their ward to work with them than dreaming of higher education for their kids. Continuous perusal and exposure of governmental motivating schemes things were overcome.

Impact of the practice

The impact of this project was evident on all the stakeholders of the practice. The village is clean and green. Many trees were planted. Continuous effort of NSS officers brought cleanness in the village. The students were happy about their visit to the labs.
