REPORT ON WORLD SOIL DAY CELEBRATION, 2021-22

REPORT: - Soil is one of vital physical factor that plays crucial role in maintaining balance in an ecosystem. An enriched soil is home to numerous living organisms and. Protecting its state of well-being is our prior duty.

World Soil Day was celebrated at Botany department lab on 6th December, 2021. The Program was presided by Chairman, Sri Asundi B Nagaraj Goud, Principal Dr. Prabhugowda, Dr K Premalatha H.O.D Botany, Faculty members and life-science students. Senior faculty member of Botany department, Sri Alam Basha provided valuable information on importance of soil, various nutrients that soil holds which in-turn is a crucial part in nurturing plant life and life of all other living forms.

Around 110 students attended the program and pledged to contribute their part in saving and nurturing the soil.
