**DEPARTMENT OF BOTANY**

**INVITED LECTURE ON CONSERVATION OF BIODIVERSITY BY**  
**DR. CHANNABASAVA S, PRINCIPAL S G COLLEGE KOPPAL, 2021-22**

**REPORT**: - On the occasion of World Environment Day, an invited talk was organized by the Department of Botany on 6<sup>th</sup> June, 2022. Dr Channabasava S, Principal S G College Koppal, was invited guest to deliver the lecture on Conservation of Biodiversity and Environment.

Before the formal function, plantation was carried out by the invited guests, faculty members and students at the garden, library. Medicinally important plants were planted.

The formal event was conducted at the Botany lab and was presided by the Chairman, Principal, PU Principal, H.O.D Botany, H.O.D Electronics, NCC Officer, Faculty members of Botany.

Topics like waste segregation, composting, avoiding plastic use, switching to re-usable products were explained by the resource person. Great amount of practical knowledge was shared excellently by the resource person. After the lecture session, discussion was held and students shared their views on conservation and contributions to be made. Around 105 students attended the program and made it a successful event.
