

Report :

Department of electronics

Visit : Visiting FM Station hosapete.

Visited FM Station in hosapete with our respected staff members K.M. Karibasaiah sir (HOD of electronics) and Dr. S. Jagannath sir at 22-03-2019. To know about the information of communication system of FM (frequency modulation) and to know the technical information of the FM.

In 5th sem syllabus we have the FM broad costing, modulator and also FM detector. We learnt all about information of the above topics in FM station hosapete.

This visit is so help full our study purpose.
