Report on Movie (The Quantum Indians) Day

On 24th June 2022 at 11.30 AM the National award winning educational movie The Quantum Indians was shown to the students of UG and M.Sc. Physics students. This programme was arranged by the department of Physics. The Principal Dr. V .S. Prabhiah presided the function and Chairman of College Governing body Asundi. B. Nagarajagouda was the Chief Guest.

After the welcome speech HOD of Physics Department Dr. M. Prabhugouda briefed the work of the important contribution of the three Indian Scientist namely Dr. Satyendra Nath Bose, Sir C.V. Raman and Meghnad Saha to the field of Science in general and to the Physics in particular. Half of the particle in nature named in the name of Bose as bosons, the man who counted Photons. The Scattering theory of Raman was one of the basic theories of molecular spectroscopy. The work of Saha equation on ionization was basis for the study of stellar radiation.

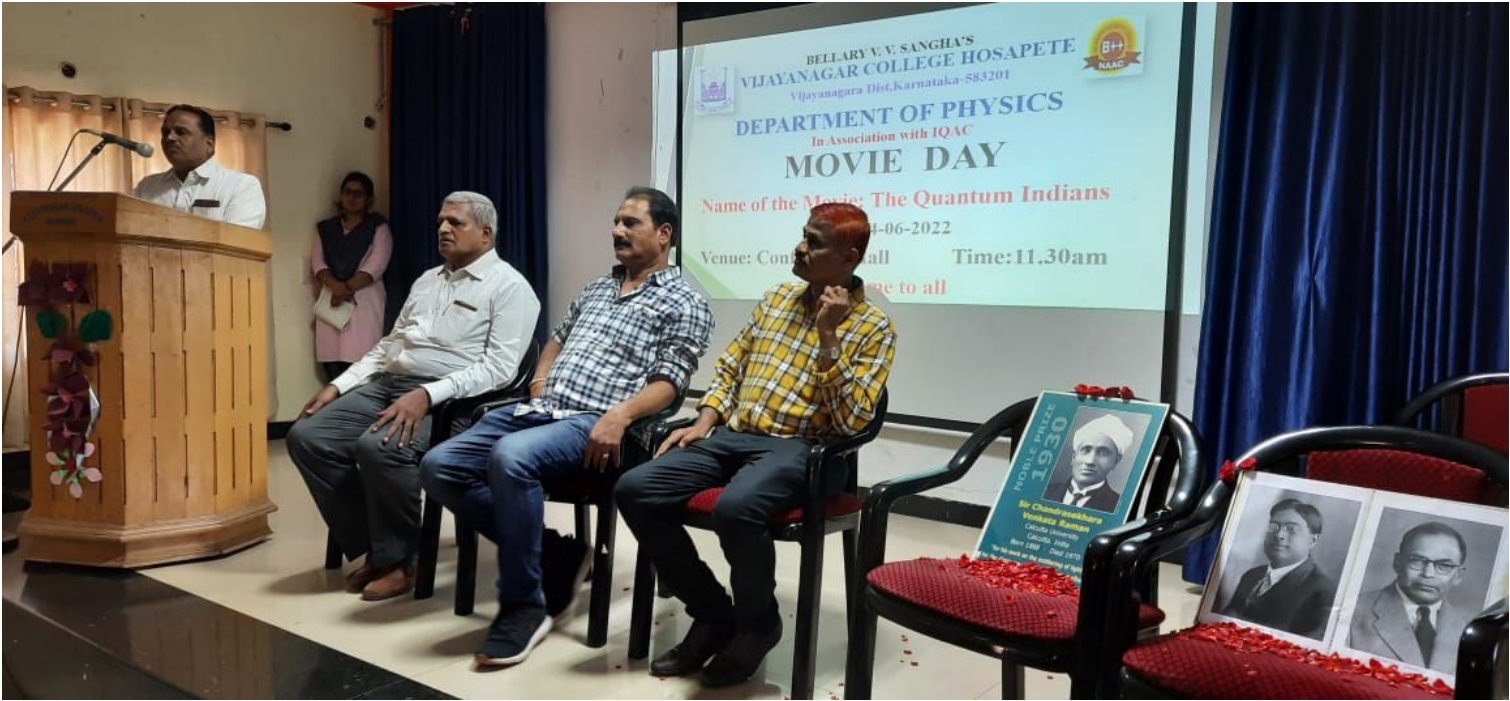

Sri. Ajith Narayana Rao gives the details of the movie about the makers and the award received by the movie and the Importance of the movie. The Chairman said on the occasion the necessity of such Programmes in the College. The Principal expressed his happiness and asked the students work hard to achieve their goals in the life.

On this movie day all the teaching staff of UG and PG of Physics department was present. Dr. Arvinda in his vote of thanks address mentioned special thanks to teaching staff Sridhar of PG and Basavaraj of UG for the set of the home theatre for the telecast of the movie.

The Students expressed their happiness over the movie day Programme and also motivated to work hard like these Scientist even in the difficult situation
