Date: 12<sup>th</sup> November 2021

### **Outcome of centenary celebration of Einstein's Nobel Prize for Photoelectric effect and World Science day in our College on 10<sup>th</sup> November 2021**

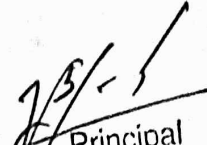

In Association with IQAC and Science Association, the Department of Physics organized following Competitions for the centenary celebration of Einstein's Nobel Prize for Photoelectric effect and World Science day in our College on 10<sup>th</sup> November 2021.

The permission from Principal sought from our letter dated 30<sup>th</sup> October and on the same day announcement of Competitions published on notice board, on student whatsapp groups and in class rooms. For Science Lecture contest there were 14 students enrolled their names but nine students participated on 10<sup>th</sup> November. For Essay writing contest there were 26 students enrolled their names but 18 students participated on 10<sup>th</sup> November. For Cartoon drawing contest there were 16 students enrolled their names but 12 students participated on 10<sup>th</sup> November.

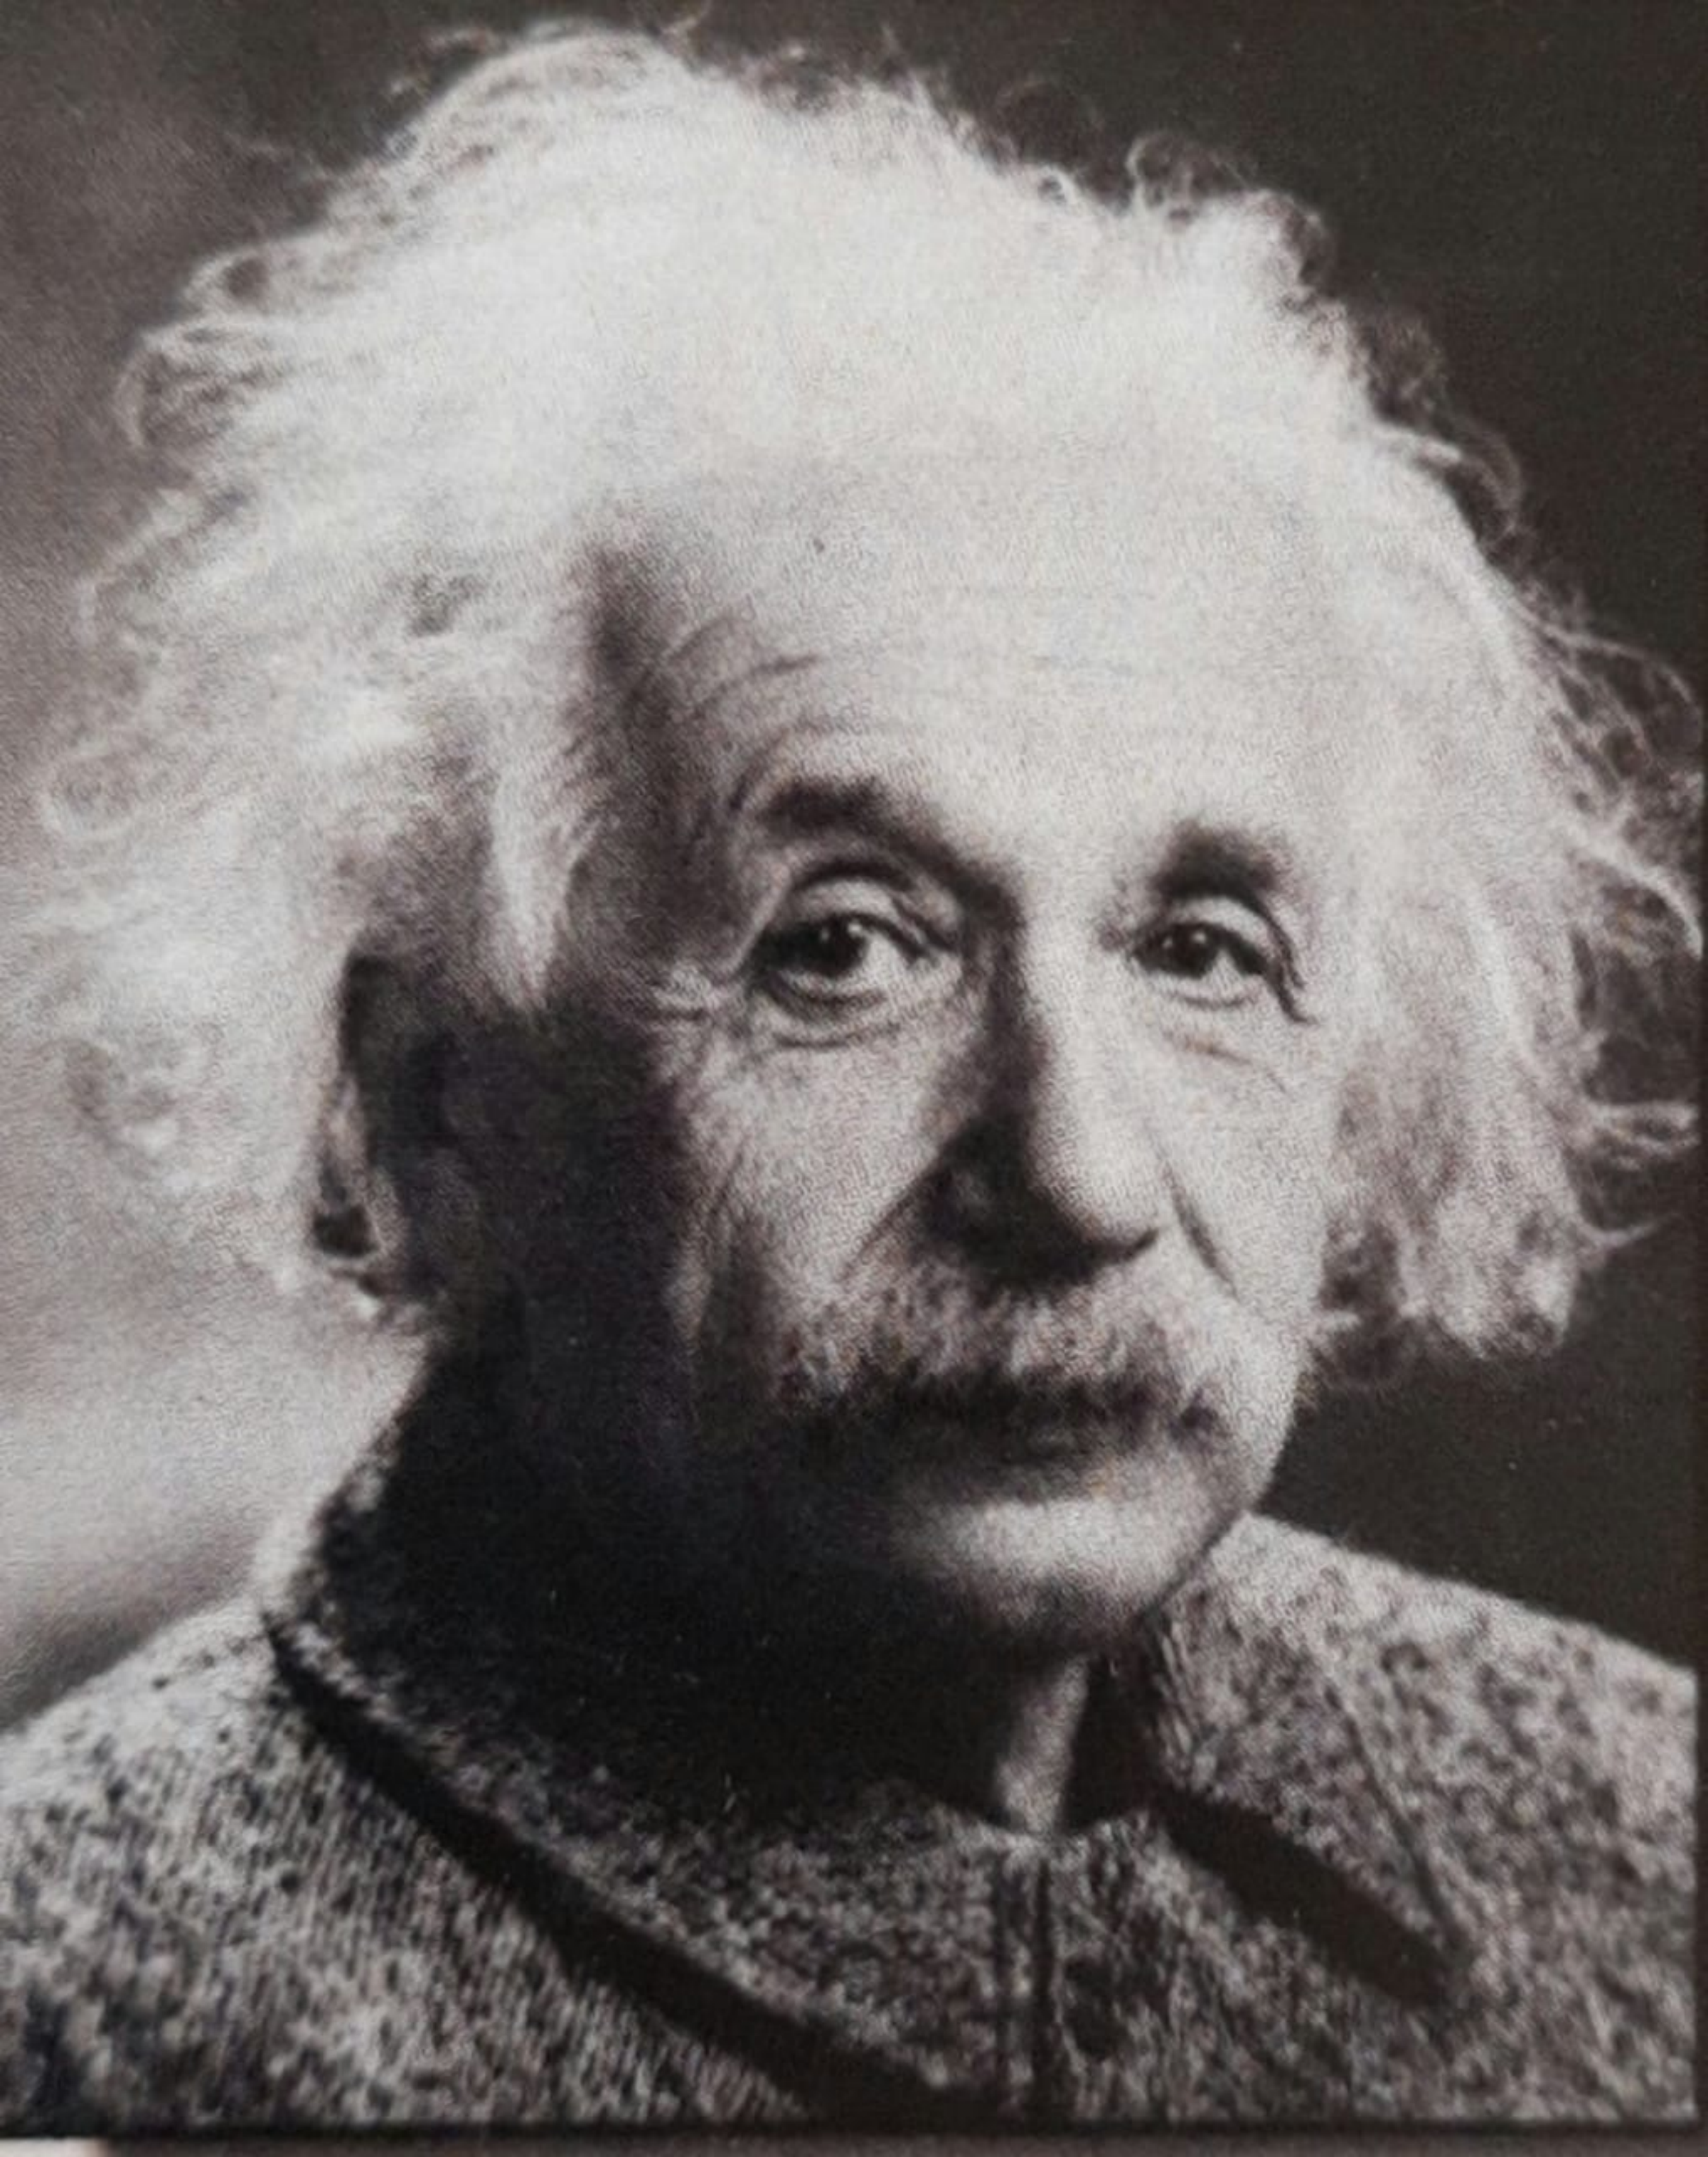

For science lecture contest our staff Ajit Narayana rao, Dr, Arvinda. T and Sangamesh. J were judges. For Essay contest Meghana, Swetha and Bhavani took the responsibility of judging the winners. For cartoon drawing contest Sridhar and Basavaraj were the judges. The Inauguration function was organized at 11.30 AM on 10<sup>th</sup> November at PG room 3.

All Physics staff both UG and PG along with participants were present. Dr. M. Prabhugouda highlighted the importance of world Science day and Einsteins explanation of photoelectric effect. In charge Principal Dr. Mruthanjaya Rumale asked the students to participate in such events. The judges submitted their reports on that evening and results were declared on 11<sup>th</sup> November.

The students actively participated in the group. The prizes of these competitions are going to be distributed on 16<sup>th</sup> of November 2021,
