## **Department Activities Report**

### **Slip Test**

The slip test is an excellent way to assess students' abilities for a comprehensive understanding of the subject. The exam was given to all UG students who were in their final year. This test reveals how well student can answer questions. This was a surprise test which enabled us to understand students' capability. We found out many students successfully tackled most of the questions. In fact, this boosted confidence among our students.
