Vijayanagar College, Hosapete being unique from its very inception and foundation, has emerged as a benchmark of excellence and innovation for the world of education. With quality sustenance as its focus, the IQAC of the College has developed the feedback mechanism commencing with obtaining feedback from the various stakeholders through a structured rating based feedback form. The college draws feedback from students, teachers, alumnae and employers for continuous improvement in curriculum development and enrichment. For the session 2022-23, the analysis of stakeholders' feedback is presented as under:

Summary of Statistics of Feedback Received:

Sl. No.	Feedback Category	Total numbers of Stakeholder recorded feedback
1	Students' Feedback	605
2	Teachers' Feedback	43
3	Alumni Feedback	23
4	Employer Feedback	2

Objective:

The objective of the exercise is to correctly gauge the impact of all the efforts taken by the institution at all levels on the various stakeholders. The institution wants the benefits to reach and the stakeholders. This feedback is collected and trends generated through statistical analysis. Based on the opinions of the stakeholders, further action is taken by the administration.
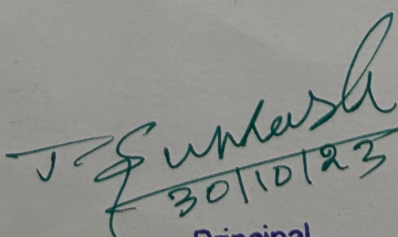

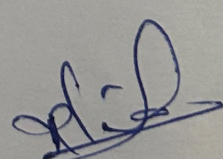

Methodology:

- ➤ Feedback on curriculum is collected from the students by sharing the Feedback Forms at the institutional whatsaap groups. It is collected online and brought to the IQAC for its analysis. Further suggestions are incorporated by departments, college Council and governing body.

- ➤ Alumni Feedback is collected during alumni meetings & even online. The filled in forms are sent for further action. Feedback is collected from teachers as well by uploading the feedback forms on the portal. Subsequent action is similar to the other forms.

- ➤ Employers' Feedback is also collected either in person or online for further action.

  The teachers or peers also give their feedback which is available at the server and the received data gets forwarded to the authorities for further action.
