About VV Sangha:

The Veerasaiva Vidyavardhaka Sangha is a Registered Education Body started in 1916. The Sangha has grown over the years from a humble beginning with a Sanskrit Pathasala and a Primary Kannada School to now running kinder gardens, Middle Schools, High Schools, Jr. Colleges, Degree Colleges, Law, Engineering, B. Pharmacy, D. Pharmacy Colleges, Polytechnic and Institute of Management and Student hostels. The achievements of the Sangha have been hailed by eminent scholars, administrators and men of eminence who have visited and participated in the functioning of the institutions.

About VN College:

Vijayanagara College was established in 1964 by Bellary Veerasaiva Vidhyavardhak Sangha (Bellary V.V.Sangha) with the motto "Vidya Jnanen Shobhate." The name was given after the world-famous historical place, the Vijayanagar kingdom (Hampi), known for its art, culture, and valor during the golden age of Sri Krishnadevaraya, which is located just 12 kilometers away from Hospet. It was inaugurated by the then Vice President of India, H.E. Dr. Zakir Hussain, in the presence of Sri S R Kanti, Karnataka state education minister. The college is located in a prime area of the city.

About Department Of Botany:

The department was established in the year 1964 with moderate strength. Today the department of Botany is having the strength of more than 200 students and five teaching staff members and two supporting staff member. Botany subject was taught as major and minor subject for undergraduate course.

Our college was affiliated to the University of Mysore in 1965, later affiliated to Karnataka University, Dharwad. In the year 1982, when Gulbarga University was established, our college became affiliated to Gulbarga University. In the year 2010, Vijayanagara Sri Krishnadevraya University(VSKU) was established in Bellary, now our college is affiliated to VSK University. Department was started with moderate strength in 1964 and one laboratory was constructed. It was equipped with sophisticated equipment's. Year by year, the student strength increased and now the student's strength is more than 400.

About The Eco club:

An Eco Club is a platform that encourages students and community members to work together for the protection and preservation of the environment. It promotes awareness about pressing environmental issues like pollution, climate change, deforestation, and waste management. Through activities such as tree planting, cleanliness drives, recycling projects, and awareness campaigns, Eco Clubs foster a sense of responsibility towards nature and inspire action at the grassroots level.

The main motto of an Eco Club, "Go green, Breath clean," highlights the importance of understanding global environmental challenges while taking meaningful steps within our immediate surroundings. By involving students in hands-on eco-friendly practices and creative campaigns, Eco Clubs nurture eco-conscious citizens who can lead positive change for a sustainable future. They serve as a bridge between learning about environmental problems and actively contributing to real-world solutions.

Report on Eco-Club Activities

The Eco-Club of the Department of Botany, Vijayanagar College, Hosapete, successfully organized a series of events on the 28th and 29th of April aimed at fostering student interest in nature, environmental conservation, and sustainability. The events included a **Green Poetry Competition**, **Quiz Rumble**, and **Best out of Waste Competition**. Students from B.Sc., B.A., and B.C.A. streams participated in large numbers, exhibiting great enthusiasm and a sense of environmental responsibility.

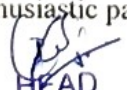

All the events were organised efficiently by the faculty members of the department of Botany – **Dr Pushpa K Kavatagi**, Eco-club Convenor and Head, **Dr Ravindra B K**, **Smt Mamatha A**, **Smt Nayana S**, **Dr Halaswamy H M** and Non-teaching staff **Renukappa D** and **Rajashekaraiah swamy**.

Day 1: 28th April 2025

The Green Poetry Competition set the tone for the celebrations, encouraging students to express their thoughts and emotions towards nature through poetic creativity. The event was judged by **Dr. Supriya T**, Asst Prof, Dept of Zoology, who appreciated the students' efforts in blending literary talent with environmental awareness.

Following this, the **Quiz Rumble** tested participants' knowledge of environmental science, conservation strategies, and ecological facts. It was an engaging and informative session judged by **Sri. Ajit Narayan Rao**, Asst Prof & Head, Dept of Physics and **Sri. Madhukar Soppin**, Asst Prof & Head, Dept of Chemistry who lauded the students for their enthusiastic participation.
