Report On Science Exhibition

On February 28, 2025, the Science Association of Vijayanagar College, Hosapete, in association with the Internal Quality Assurance Cell (IQAC), commemorated National Science Day under the topic "**International year of Quantum Science & Technologies – 2025**". This annual event honors the discovery of the 'Raman Effect' by Sir C.V. Raman. **The objective** of the observation of **National Science Day** is to spread the message of the importance of science and its application among the people.

The celebration featured a keynote address by **Dr. S. Somashekara**, who delivered an insightful talk on "**Quantum Science and Quantum Technologies**," highlighting recent advancements and their applications.

The program was presided over by **Sri N. Mallikarjun Metri**, Chairman and **Dr. M. Prabhugouda**, Principal of Vijayanagar College with notable attendees including **Sri S. Madhukar**, Vice-President of the Science Association; **Sri Ravi Kiran D**, IQAC Coordinator. Their collective presence underscored the institution's dedication to promoting scientific inquiry.

Faculty members from the Science Departments provided invaluable support, contributing to the event's success. As part of the Science Day activities, faculties and students from the Botany, Zoology, and Chemistry departments organized a 'Science Model Exhibition,' showcasing innovative projects and fostering a spirit of scientific exploration among attendees.

This celebration aligns with the broader objectives of National Science Day, which aims to spread awareness about the significance of science in daily life and to encourage scientific thinking among the youth.
